

UCD Permit Parking - Event Parking Application

UCD strongly advises the use of public transport wherever possible in support of the UCD Travel Plan 2016-2021-2026. To view the UCD Commuting Guide for information on sustainable and active commuting options [click here](#).

A permit parking voucher only allows you to search for a parking space on campus. It does not guarantee that a space will be available when or where you want it.

Parking is provided on a fully first come, first served basis. Parking demand exceeds supply at peak times.

A permit parking voucher is not valid in the paid hourly or premium car park spaces and if a user parks in these spaces they must pay the appropriate fee.

The voucher code for the event is:

EUROBSDcon

Before arriving on campus please ensure:

- You have read the terms and conditions and the associated UCD Parking Regulations before bringing any car onto campus
- Always comply with the UCD Parking Regulations when parking a car on campus
- Check local car park signage for specific arrangements or changes

It is your responsibility to ensure the registration details of the car on your permit are accurate. Incorrect registration numbers will result in your vehicle being clamped.

If your vehicle is clamped it is your responsibility to pay the fine and arrange the release of your vehicle.
